Dear Friends of the Maryland Soccer Community,

Greetings and a warm welcome to all attending our Centennial Gala as we celebrate the founding of the Maryland State Soccer Association.

Tonight, we will have the opportunity to recollect the past and ponder the future. This game has brought joy to so many of us whether we played or watched from the touchlines. It also has created friendships that last forever.

I would like to thank everyone for taking part in our celebration, especially the sponsors and patrons of our Gala and those who took part in our souvenir book. I am thankful to all who made this sport happen in our state. It may be a simple game but it takes the efforts of many to get it on the pitch.

I hope that all of you have an enjoyable evening. I am sure that you will take pleasure in our video presentation. Once again, thank you for celebrating with us.

Your truly,

Tony
